

GEN. MACEO

Reported to Be Alive and Marching Troops in Matanzas.

A Demand That Weyler Be Recalled and Replaced by Gen. Marín.

Soldiers' Wives Petition to Kill the Spanish Troops in Matanzas to Get a New General—Fifteen Thousand Troops for the Philippines.

KRT WEST, Fla., Dec. 17.—Passengers arriving here Wednesday night from Havana report that Antonio Maceo is alive and well, and is in the province of Matanzas.

The passengers say that all of the festivities that were going on in Havana to celebrate his death have been ordered stopped, since it has become known that he is alive.

HAVANA, Dec. 17.—Via Key West, Fla., Dec. 17.—Maceo's death is still surrounded in mystery. The body is still undiscovered and no further proofs have been adduced except the official statement which leads the Cubans to think he is still alive. In fact, the residents of Punta Brava, the vicinity in which the engagement occurred, dispute the story. Zerpa, who continues to give contradictory evidence, now says that knife captured belonged to Gomez's son and not to Maceo. The Cubans consider it disgraceful that such proofs are not shown, and also the alleged written statements of Gomez's suicide. It is also significant that no Cuban have surrendered since the leader's alleged death, proving either that he did not effect the revolution or that Maceo is not dead. Many rumors are abroad in connection with Maceo's death, and all are confusing.

One story is that Maceo is at Cabimas, Venezuela, sieged by the rebels, and another is that he is with a large force. Another is that Aguirre has written that date of the 10th, but does not mention the fact. Many couriers have been sent to investigate, but have not returned.

The Cubans believe that the story that Maceo was killed by treachery. They say Maceo was not easily trapped and would not accept a flag of truce even from Abrahams.

MANILA, Dec. 17.—The news of Maceo's consequent of having received from its New York correspondent dispatches giving accounts of the excitement caused throughout the United States by the stories of the alleged treacherous manner in which Maceo was done to death prints an energetic protest against the circulation of such reports, which it characterizes as gross falsehoods and untruths, and which it claims to be.

MANILA, Dec. 17.—For many days the Cubans have signs of dissatisfaction with Gen. Weyler's conduct of the campaign in Cuba.

A popular demand is being made that the general be recalled, and a new man placed in command of the island.

Spaniards whose sons and brothers have been killed in the conflict are the principal ones to cry for a new general in Cuba.

This demand took definite shape yesterday morning in the issue of El Correo Militar, a journal devoted to army affairs.

It demands that Gen. Weyler be recalled from Cuba and replaced by Gen. Marín, who is considered to be a man of great ability.

Judge White said:

"They simply sell liquor as an incident to their business of the house, the body in which the engagement occurred, dishonor, etc. Zerpa, who continues to give contradictory evidence, now says that knife captured belonged to Gomez's son and not to Maceo. SIX MINERS

Crashed to Death in the Holy Cross Mine, Near Red Cliff, Col.

RED CLIFF, Colo., Dec. 17.—A terrible accident occurred late Wednesday afternoon at the Holy Cross mine. A rich strike was made recently in the tunnel, and the company has been pushing the development of the new vein. Six men were at work in the tunnel Wednesday afternoon. They left a blank space in which to store additional costs. It is no terror to them to work in such places, but by this arrangement the company will be about \$1,200 better off when the costs are counted. It is better to have this money in the company treasurer's office than to let the police get it. Besides, the women promise to quit and we can send them up if they don't stop."
